

Technical Data

Power supply:	4 Watts
Connected load:	24V DC (-10% / +15%)
Connection type:	M8 plug connector with 4 pins, pin 1: blue, pin 2: red, pin 3: 0V, pin 4: green
Casing material:	anodised aluminum
Protection type:	IP 67
Protection class:	III
Lamp cover:	4mm clear tempered glass
Max. ambient temperature:	50°C
Mounting:	rigid
Max. screw head diameter:	7.5 mm / M4
Construction:	add-on version
Light distribution:	direct, wide beam
Light colour:	red / green / blue
Colour rendering (Ra):	
Dimensions:	Length= 120 mm, width= 25 mm
Weight:	approx. 0.135 kg
Special features:	
Luminous flux:	
Luminous efficiency:	
Beam angle:	>120°
Equipment:	LED energy efficiency class A+
Operating unit:	without

Illuminances

Measuring distance: 50 cm

Blau:	20 lx
Grün:	87 lx
Rot:	47 lx
